- A) The quarterly newsletter „Voice of the Aquarian Age“ (Stimme der Wassermannzeit) is FIGU's official magazine and contains all announcements regarding new publications of written material and events, etc. (language: German!)

It is MANDATORY for all PASSIVE GROUP MEMBERS to obtain a subscription of the „Voice of the Aquarian Age“ (Stimme der Wassermannzeit). The subscription charges for the first 12 editions (for 3 years) must be paid with the first annual FIGU membership fee as follows (*all charges include free shipping and handling*):

Switzerland	CHF 90.00
Foreign Countries (Europe)	CHF 105.00
Overseas "Economy"	CHF 115.00
Overseas "Priority" Air Mail	CHF 170.00 (with air mail postage surcharge)

- B) 1) ANNUAL FIGU MEMBERSHIP FEE for PASSIVE GROUP MEMBERS CHF 30.00
2) One-time application and I.D. fee CHF 30.00

- C) Furthermore, in accordance with a resolution passed at the Passive Group General Assembly on May 9, 1992, a mandatory annual contribution of 7% of one (1) month's salary must be made. Starting with pension age this annual contribution of 7% is cancelled. The annual membership fee and once-a-year contribution of 7% of one (1) month's salary must be received by FIGU no later than April 25th, otherwise the Passive-Group membership becomes automatically null and void.

- D) In accordance with a resolution passed at the Passive Group General Assembly on May 9, 1992, it is every Passive Group member's obligation to work 3 full days annually at the FIGU <Center> in Hinterschmidrüti (Switzerland). The mandatory work days must be performed, at any time, between the beginning of April and the end of October. For each work day not performed at the Center, a further contribution of CHF 70.00/per non-working day (with a total of CHF 210.00 for 3 non-working days) must be paid by April 25th of the following year. This ob-

ligatory <work-or-pay> contribution is enforceable until the member's 65th birthday. All proceeds from the 3-day work regulation aid the Center's expansion and maintenance, but the work requirements are primarily intended to help everyone get acquainted with each other, and to give Passive Group members an insight into FIGU's tasks and activities.

- E) On the 4th Saturday in May of each year a Passive Group General Assembly will be held and each member should be present if possible. At the Assembly each Passive Group member has a voice and may vote on certain parts of the agenda if necessary.
- F) I am aware that, in accordance with the Passive Group by-laws, I am obliged to apply for a membership I.D. from FIGU. I am enclosing one recent passport photo to be used for the I.D. and the FIGU membership files.
- G) FIGU I.D. APPLICATION:
 - 1a) The I.D. given to me by FIGU does not represent an official document and must not be misinterpreted and/or misused as such.
 - 1b) Misuse of the I.D. will result in its confiscation without compensation for any damages incurred, including legal charges by local authorities.
 - 1c) FIGU refuses to accept any responsibility on the I.D. owner's behalf for any repercussions resulting from I.D. misuse.
 - 1d) The use of FIGU's Passive Group membership I.D. as a pseudo-official document is punishable by law and is, accordingly, governed by the legal system's charges and prosecution.
 - 2) The Free Community of Interests' I.D. is a FIGU document as well and serves to verify the bearer's connection with this group, and to confirm his/her membership. Simultaneously, it represents the bearer's authenticity in contrast to other like-minded, but non-FIGU groups and private individuals with the same interests.
 - 3) A FIGU I.D. is only provided in conjunction with the study of the "Spirit Lessons" (Geisteslehr-Briefe) or a membership in a FIGU group.
- H) I am aware that a PASSIVE-GROUP FIGU membership indicates that each and every STATUTE, as well as all resolutions of the Passive Group General Assembly, apply to me fully, and that I entirely concede to them.
- I) I acknowledge, accept, and consent to all of the above points, rules regulations and personally declare myself in agreement with all of them.
